Funding is now available. The purpose of this IWT Program is to assist employers in training currently employed workers in an effort to keep businesses and workers competitive. Private Sector South Carolina Employers located in the counties of Clarendon, Kershaw, Lee and Sumter faced with changing skill requirements caused by expansion, new technology, retooling, new services/product lines, and new organizational restructuring or as part of a layoff aversion strategy may be eligible for IWT assistance. Expected priorities are applications which show a significant upgrade in employee skills and or wage increases, significant layoff avoidance strategies, training plans that emphasize occupational skills training and businesses who have not received an IWT agreement during the prior program year (July 1, 2014–June 30, 2015). If interested in receiving IWT funds, download the IWT Application and review the IWT Guidelines at the Santee-Lynches website at www.slworkforcedev.org. Return the signed IWT application to Mr. Esmonde Levy, Workforce Development Finance Manager, Santee-Lynches

Regional Council of Governments, REFERENCE: IWT PROGRAM, 31 East Calhoun Street, Sumter, SC 29150 no later than Noon on 11/2/2015. Questions can be directed to Mr. Levy at elevy@slcog.org.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
